

4 MAGNETIC MEDIA WAGE REPORTING

Magnetic Tape

Wage Record Reports can be submitted on 9 track reels of magnetic tape or 3480, 3490 & 3490E tape cartridges. Prepare tapes and tape cartridges in the IBM 3400 tape series compatible format. Prepare and submit the tape as follows:

- (1) Write data submitted on reels of tape on 1/2-inch, 9-track magnetic tape, odd parity, in the unpacked mode;
- (2) Prepare 3480, 3490 & 3490E cartridges with data in uncompressed format only;
- (3) Use a recording density of 6250 BPI or 1600 BPI. A recording density of 6250 is preferred;
- (4) Internal tape labels are preferred;
- (5) Separate header and trailer labels from the data records by a tape mark;
- (6) Write header and trailers in the same recording density as data records;
- (7) Record magnetic tapes or tape cartridges in Extended Binary Coded Decimal Interchange Code (EBCDIC) or in 8-bit American Standard Code for Information Interchange (ASCII). Character sets other than those indicated will not be accepted;
- (8) Create records on tape fixed block. Block size should be a multiple of the Record Length. Tapes written variable blocked with record descriptor words are not acceptable and will be returned for correction. The blocking factor is to be consistent throughout the tape report. A short block (less than the standard tape-blocking factor) is acceptable at the end of the tape file only;
- (9) Complete Form UC-7822, Magnetic Media - Transmitter Report, or a facsimile.

FILE CONTENT: Each file must be in one of the documented wage reporting formats, which includes your 10 digit UI account number, quarter/year, Social Security numbers, first and last names and gross wages.

MULTIPLE FILES: Authorized representatives reporting wage information for multiple employers should report all information on the same tape as opposed to separate tapes for each employer. Each tape must consist of a single file containing all records for each employer(s) under the correct UI Account Number, with no intervening tape marks.

CORRECTIONS TO INFORMATION SUBMITTED ON TAPE: Replacement tapes will be accepted to correct wage information previously reported. Clearly label both your tape and transmitter report as replacement data. If only a few adjustments are necessary, please do not send a replacement tape, but instead prepare a Wage Adjustment Report, Form UCT-7878.
